NOTE: We are proud of our record, but cannot guarantee that we can accomplish the same results in your circumstance, or even get a settlement. All cases differ. The amounts below include attorney fees and costs, as well as client awards.

CONFIDENTIAL SETTLEMENTS – in some of the cases below the settling defendant has insisted that the terms of the settlement cannot be disclosed. This may be because of the size of the settlement, extra concessions such as the defendant canceling debt in addition to paying money, or various other reasons.
